

MagTaur Xcell

Stress, Cardiovascular and Energy Support

orthoplex

Orthoplex MagTaur Xcell is a scientifically-formulated, all-in-one magnesium powder designed to support the health and function of the nervous and cardiovascular systems. Numerous beneficial nutrients combine to make a great-tasting powder which can be mixed with water for consumption.

Extensive research and experience has led to the development of this great formulation, so you can feel comfortable and confident about the Orthoplex range.

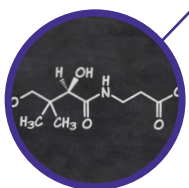

How it Works

MagTaur Xcell is a multi-faceted formulation designed to assist in nervous, cardiovascular and immune system health. It includes ingredients that play a role in a healthy stress response and assists with general wellbeing.

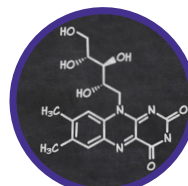

Adrenal Glands

- Contains magnesium which supports healthy function of the nervous system
- Contains ingredients including taurine which supports healthy cardiovascular function
- Contains **Vitamin B5** which supports the **adrenal glands** in making hormones that counteract the stress response
- Contains zinc which is essential for proper growth and development
- Contains ingredients involved in the metabolism of carbohydrates, fats and proteins in the body

Vitamin B5

Vitamin B2

- Contains riboflavin (**Vitamin B2**) which is involved in tissue repair processes such as the healthy growth of skin, nails and hair
- Contains nutrients involved in the production of energy in the body
- Supports the health and function of the immune system

Always read the label, use only as directed, if symptoms persist consult your healthcare practitioner.

Orthoplex was founded by nutritional biochemist, Henry Osiecki. The company has more than **30 years of experience** in creating premium nutritional and herbal supplements. We take pride in the quality of our products and Orthoplex MagTaur Xcell is no exception. Orthoplex formulations include **scientifically-researched ingredients** with **minimal added excipients** used in the manufacturing process. We provide **full disclosure** of what is in our products so you can feel comfortable knowing exactly what you are taking. Our supplements can only be prescribed by your practitioner who can provide a qualified consultation and recommendation prior to use. Orthoplex works with practitioners to provide a **combination of high-quality formulations and professional care** so that you can feel confident about the journey ahead.
